PREFACE

The Green Mountain Education Association and the Green Mountain School District enter into this Agreement with the intent of communicating their understandings about the working conditions for teachers and the professional expectations for all certificated employees covered hereby. Recognizing that good communications are an essential part of this Agreement, employees and Association officers are encouraged to seek clarification with the administrator or Board of Directors any time there is a question about the interpretation of this Agreement.

The District and the Association have reached certain understandings which they desire to confirm in this Agreement.

It is hereby agreed as follows:

ARTICLE I: ADMINISTRATION

1.1 Recognition

The Green Mountain School District Board of Directors (hereinafter "Board" or "District") recognizes the Green Mountain Education Association (GMEA, hereinafter "Association") as the sole and exclusive representative for all certificated employees, including certificated classroom teachers, certificated support staff, and substitute teachers. Such representation shall exclude the superintendent and any other position of an administrative or supervisory function.

1.2 Conformity to Law

This Agreement shall be governed and construed according to the constitutions and the laws of both the State of Washington and the United States. If any provision of the Agreement or any application of the Agreement to any employee or groups of employees covered hereby shall be found to be contrary to law, such provision shall become void and inoperative, however the remainder of the Agreement shall remain in full force and effect for the duration of this Agreement.

1.3 Status of the Agreement

1. This Agreement supersedes all previous agreements, including any written or verbal agreements with individual association members or the Association. Any individual contract between the District and an individual employee shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with the Agreement, this Agreement, during its duration, shall be controlling.
2. Where there is a conflict between this Collective Bargaining Agreement and any resolution, rule, policy, or regulation of the District, the terms of this Agreement shall prevail.
3. All existing rules, regulations or policies of the District not in conflict with this Agreement shall remain in full force.

1.4 Compliance of Agreement

1. All individual teacher contracts shall be subject to and consistent with Washington State law and the terms and conditions of this Agreement. Any individual teacher contract hereinafter executed shall expressly provide that it is subject to the terms of this and subsequent agreements between the Board and the Association. If any individual teacher contract contains any language inconsistent with this Agreement, this Agreement shall be controlling.
2. Individual teacher contracts shall include the following statement:

"Provided however, that the terms of this contract shall be consistent with and subject to the terms and the execution of the Collective Bargaining Agreement between the Green Mountain Board of Directors and the Green Mountain Education Association."

1.5 Distribution of Agreement

1. Within 45 days of the ratification and signing of this Agreement, the District shall print and distribute a copy to each certificated employee of the district. The District shall make certain that any new certificated employee is provided a copy of this Agreement within ten (10) working days of their date of hire.
2. A copy of this Agreement shall be made available for public review in the District office, and an electronic copy shall be posted on the District website, consistent with Washington law.

1.6 Duration and Re-negotiations

2. Pursuant to the Memoranda of Agreement between the Association and the District, dated August 31, 2015, the term of the negotiated elements contained in this agreement shall be three (3) years, effective September 1, 2015 through August 31, 2018. The language of the re-drafted agreement shall be effective from the date of ratification through August 31, 2018.
3. Both parties may re-open two (2) items for negotiation each year.

The Association shall determine the charitable organization and shall notify the District each year by September 1 of the organization that will receive any payments under this section.

3. If it is determined that financial resources at approximately the same levels are not reasonably assured for the following school year, or that enrollment will significantly decline, the Board shall adopt adjusted educational programs. The Board will also identify those certificated staff members who will be retained to implement the adjusted programs and those certificated staff members, if any, who must be terminated from employment and/or otherwise have their employment status adjusted. Employees shall have the opportunity to review all contents of their file, and shall be provided copies of contents upon request at a cost of ten (10) cents per page, including materials originating from within the District before they are made a permanent part of their personnel file.
3. Teachers shall have the right to have a witness present, at their discretion, when they review their District personnel file. An educator shall have the right to answer and/or refute in writing any materials which may be judged by him/her to be derogatory to his/her conduct, service, character or personality. The written response shall be made part of the employee's personnel file.
4. Derogatory statements from lay persons or organizations shall not be included in the permanent file unless the statements have been shown to the employee and discussed with him/her within ten (10) days from the date of receipt by the District.
5. Upon request by the teacher, the Superintendent or his/her official designee shall sign an inventory sheet composed by the teacher to verify contents of the personnel file at the time of inspection by said teacher.

3.4 Teacher Workday

1. The length of the teacher workday shall be 7.5 hours, including a paid 30-minute duty-free lunch. Teachers contracted for less than 0.5 FTE are not entitled to a paid lunch period. Employees will be expected to be fully prepared for their daily professional responsibilities even though preparation may extend beyond the normal

on-site work day.

2. Teachers shall begin their work day a minimum of thirty (30) minutes before the students' school day begins, and shall continue a minimum of thirty (30) minutes after the students' school day.
3. The teachers' work day shall include a thirty (30) minute uninterrupted (i.e., continuous) preparation period. Part-time certificated employees contracted for less than 0.5 FTE may be allocated a pro-rated preparation period of not less than 15 minutes per day.

6. In the event schools are closed early due to an emergency situation (inclement weather, ice, snow, floods, volcanic disruption, lack of heat or lights, etc.) and the administration has made a decision to send students home, teachers shall be permitted to leave after students have been accounted for, or are off school grounds.
7. Teachers shall suffer no loss in wages, benefits or contractual or statutory advantages as a result of such work rules.
8. When the District is required by law to make up days missed in order to receive its appropriation due to emergency school closure, such scheduling of make-up days shall be accomplished through the mutual agreement of the District and Association. Teachers shall not be required to make up days lost as a result of school closing or cancellation of classes unless such failure could result in a school year of fewer than one hundred eight (180) days. In the event a waiver is granted by OSPI for fewer than 180 days, teachers shall suffer no loss in pay or benefits.

3.5 Teacher Work Year

1. Teachers shall be employed under contract for a school year. All teachers are expected to prepare for, conduct, evaluate and summarize instruction for students preceding, during, and following the student school year.
2. Employees hired after the beginning of the school year and/or working less than 1.0 FTE will have their contract expressed as a decimal fraction of FTE or a number of work days.

ARTICLE IV: WAGES AND BENEFITS**4.1 Teacher Salary Schedule**

1. Certificated employees of the Green Mountain School District shall be salaried annually based on the Washington State LEAP Salary Schedule (Appendix B).
2. Placement on the salary schedule will be determined by the certificate held and/or the credits on file in the District offices as of October 1st. A written statement filed by September 15th that affirms that official transcripts have been requested from the college or university will also be accepted. Credits or clock hours earned after October 1 or not filed according to the stated procedure will be reserved for salary schedule placement the following year.
3. Full experience will be granted for prior public school teaching experience if the teacher possessed a valid teaching certificate at the time the experience was gained. 4.2 Supplemental and TRI Contracts

1. Teachers may be offered supplemental contracts for work outside of their regular contract or for special assignments. Supplemental contracts shall stipulate the work to be done or responsibilities assigned, and shall either be specified as a fixed stipend or a number of hours at per diem or curriculum rate.
2. For supplemental contracts that involve committee work or other non-student-contact responsibilities, the curriculum rate of pay shall apply. The curriculum rate for the duration of this Agreement shall be \$30.00 per hour.
3. The issuance of supplemental contracts is the prerogative of the Superintendent and the Board of Directors, and is not a negotiated condition of this Agreement. Such contracts are non-continuing and do not infer or guarantee any future contract or employment.
4. Time, Responsibility, and Incentive Contracts (TRI)
 - a. The primary intent of TRI is to improve the quality of educational services available for students through the performance of compensated additional responsibilities provided by certificated staff. These TRI responsibilities will go beyond those levels possible within the basic education programs as funded by the state legislature.
 - b. The legislature's enactment of RCW 28A.400.200 authorizes the District to participate in supplemental contract payments of salaries and benefits to

employees who meet certain specific provisions:

- i. TRI compensation is for services not included in the mandatory daily average hours of instruction offered students within the one hundred eighty (180) day school year as is required and funded by the Basic Education Act (RCW 28A.150.220), or within any state funded in-service.

An employee working less than full-time or less than a full school year will be provided pro-rated compensation based on the percentage of FTE and/or percentage of the school year worked.
- d. Compensation for TRI will be paid in 12 equal monthly installments beginning with the September payroll. If employee fails to perform all or any part of the extended day responsibilities required hereunder, any overpayment of additional compensation shall be withheld from subsequent paychecks providing reasonable evidence of such failure to perform and notice of intent to withhold is given to the employee.

4.3 Payroll Deductions

1. All salaries are subject to payroll deductions for:
 - a. State teachers or State employment retirement systems;
 - b. Federal withholding tax;
 - c. FICA;
 - d. Workers’ Compensation;

 - f. Association dues or fees;
 - g. Insurance cost sharing as required by ESSB 5940, amounting to 1% of the premium cost of the employee’s medical insurance.
2. The District agrees to deduct any Association dues from the wages of employees who voluntarily request in writing their deduction when filed with the District. The written request will be honored in accordance with its terms. Any requested change in the amount to be deducted will require at least thirty (30) days written notice to the payroll department.

3. The Association will indemnify, defend, and hold the District harmless against any claims made against and any suits instituted against the District on account of any check-off of Association dues. The Association agrees to refund to the District the amount paid to it in error on account of the check-off provision. If the Association or one of its agents is found to be in violation of any state, federal or any other law, or the provisions of the preceding sections, the Association agrees to compensate the District for all legal fees incurred by the District in regard to such violations.
4. It is understood and agreed that this dues deduction system is only for the collection of dues and shall not be used for the collection of any Association imposed fines, penalties or assessments, nor will it be used for collection of initiation fees or any other type of Association collection of monies. The authorization for dues deductions is irrevocable for a period of six (6) months from the date of authorization. The employee shall provide written notice to the Association and to the District office of their wishes to no longer have dues withheld from their checks.

4.4 Insurance, Pooling, and other Benefits

1. The district will provide the maximum insurance contribution allowable by law per month per FTE on a pooled basis. The district will provide ten dollars (\$10) per teacher per month additional insurance contribution.
2. Employees less than 1.0 FTE receive a *pro rata* share, based on their FTE percentage, of the maximum contribution.
3. Any unused benefit dollars will be accumulated in a pool which shall be used on a monthly basis to reduce or eliminate payroll deductions for certificated staff (as per RCW) for approved plans.
4. After pooled dollars have been used to fully fund benefits outlined above, if there are dollars remaining in the pool these dollars will be divided equally over all full-time employees in the group (*pro rata* for part-time employees). These excess dollars may be used to purchase voluntary plans.
5. Monthly HCA payments for employees will be paid by the district.

4.5 Professional Development

1. The District will pay for or reimburse employees covered by this Agreement for any course/courses or training that will enhance a teacher's classroom performance, up to \$500.00 per school year, the school year being defined as September 1st – August 31st. Any unused allocation may be carried forward to a maximum balance of \$1000.
2. Allowable courses may be graduate or undergraduate, taken for credit or audit, or approved for Washington State clock hours. Allowable charges are tuition or workshop fees, clock hour charges, associated books or materials, conference registration fees, and travel and lodging costs.

3. Employees will be granted two (2) days of professional development release time per year for activities associated with this section, with the district paying for the cost of the substitute. The cost of a substitute will be assessed against the employee's professional development allowance for additional days of professional development release time.
4. All classes selected by a teacher must meet the criteria established by the legislature RCW 28A.415.023. Upon completion of the course, the teacher will submit a transcript or other proof of completion. Credits earned for lateral advancements are subject to approval. (Must meet SPI 275 form requirements.)
5. Nothing in this section restricts the district from providing additional professional development or professional development leave to Association members at district expense, when such additional training and leave is deemed by the superintendent and/or Board to be of benefit to the educational program. Such additional funding and/or leave shall be at the discretion of the Superintendent, and shall not confer any future obligation.

Emergency leave is limited to three (3) days per year and upon return the employee must submit a written application for emergency leave.

- g. An employee who is unable to perform his/her duties because of personal illness, maternity, or other disability may, upon request, be granted a leave of absence without pay at the exhaustion of sick leave. Leaves for these conditions may be renewed annually. Application of leave and application for a renewal of a leave of absence for such conditions shall be made in writing to the superintendent and approved by the Board of Directors. An employee who has been granted leave may return to service during the period of the leave after giving ten (10) days written notice to the Superintendent and with written permission of the employee's physician.

5.2 Maternity and Child-Care Leave

1. An employee requesting maternity leave should, if possible, give written notice to the District at least two (2) weeks or more prior to commencement of said leave. The written request for maternity leave should include a statement as to the expected date of return to employment, and within thirty (30) days after childbirth shall inform the employer of the specific day when she will return to work. In the event sick leave has been exhausted, then the employee shall be granted a leave of absence without pay.
2. In the event of a birth of a child of the employee's spouse, a maximum of one (1) day sick leave will be allowed.

5.3 Adoption Leave

1. Two (2) days of adoption leave with pay shall be granted to an employee for court and legal proceedings, home study and evaluations, and home visitations instituted by the adoption agency, with the stipulation that the employee make every effort to schedule these proceedings outside of school hours. Adoption leave will be deducted from the employee's sick leave balance.

5.4 Bereavement Leave

1. Each employee will be granted up to four (4) days of bereavement leave per year, which will not be deducted from the employee's sick and emergency leave balance. Bereavement leave will not accumulate, and may not be carried over from year to year.
2. Bereavement leave shall be granted for a death in an immediate family. "Immediate family" shall include mother, father, brother, sister, wife or husband, son or daughter, grandfather or grandmother, grandchild or the same as related by marriage. In the cases of some other factor, prior approval should be sought from the superintendent.

5.5 Jury Duty and Subpoena Leave

1. A paid leave of absence shall be authorized for jury duty or when an employee is subject to a court summons or a subpoena as a disinterested witness in court. Such leave will not be deducted from the employee's sick leave balance.
2. The employee shall reimburse to the District any payment received for jury duty, excluding mileage reimbursement.
3. An employee who has been notified that he/she is to appear for jury duty or has received such a subpoena will notify the superintendent as soon as practical.

3. Grievance Steps

a. STEP 1 - Invoking the Formal Grievance Procedure

The grievant may invoke the formal grievance procedure by delivering a written statement to the Superintendent which outlines the specific contractual provision, rule, or policy that is alleged to have been violated. The fees and expenses of the arbitrator shall be borne by the non-prevailing party.

9.3 Time Limits

As used in this subsection, the column headings “BA+(N)” refer to the number of credits earned since receiving the baccalaureate degree.

For credits earned after the baccalaureate degree but before the masters degree, any credits in excess of forty-five credits may be counted after the masters degree. Thus, as used in this subsection, the column headings “MA+(N)” refer to the total of:

- (i) Credits earned since receiving the masters degree; and
- (ii) Any credits in excess of forty-five credits that were earned after the baccalaureate degree but before the masters degree.

For the purposes of this section:

- (a) “BA” means a baccalaureate degree.
- (b) “MA” means a masters degree.
- (c) “PHD” means a doctorate degree.
- (d) “Years of service” shall be calculated under the same rules adopted by the superintendent of public instruction.
- (e) “Credits” means college quarter hour credits and equivalent in-service credits computed in accordance with RCW 28A.415.020 and RCW 28A.415.023.

No more than ninety college quarter-hour credits received by any employee after the baccalaureate degree may be used to determine compensation allocations under the state salary allocation schedule and LEAP documents referenced in this act, or any replacement schedules and documents, unless:

- (a) The employee has a masters degree; or
- (b) The credits were used in generating state salary allocations before January 1, 1992.

The salary allocation schedules established in this section are for allocation purposes only except as provided in RCW 28A.400.200(2).
