

Board Member Resignation and Vacancy

Resignation

Upon receipt of a director's written resignation, the board will acknowledge and announce the resignation at its next regularly scheduled meeting. The resignation will be effective immediately unless otherwise stated. If a future date is stated, the resignation may be withdrawn any time prior to the effective date.

Board members who have resigned may not vote on the selection of their replacement.

Vacancy

In case of a board vacancy, the remaining board members will fill such vacancy by appointment. The board will receive applications from any qualified persons seeking to fill the position after suitable public notice. Interviews of candidates for vacant positions will take place in a meeting open to the public.

The board will appoint one of the candidates to serve until the next regularly scheduled board election, at which time a director will be elected for the unexpired term, if any. The appointment will be approved, by roll call vote, by not less than three members of the board. If there exists fewer than three members, the educational service district board members will appoint a sufficient number to constitute a legal majority of the board.

Should the board fail to fill a vacancy within ninety (90) days from the creation of such vacancy, the educational service district board members will fill such vacancy. Appointees will be United States citizens and qualified voter residents of the school district and appropriate director district, if any.
