## Let's watch a movie - observer notes

Were the two people able to agree on	a movie?
☐ <b>YES.</b> What worked well?	□ <b>NO.</b> What got in the way?
What nonverbal signals did each of the	em give?
Did they listen to each other and response	ect what the other person wanted?

(continued)

Lesson

# Student Journal What Is Affirmative Consent? (continued)

**Affirmative Consent** means that both people clearly and freely agree to engage in an activity.

Consent can be given through words or actions, as long as those words or actions clearly communicate a Yes.

### Steps of affirmative consent
