

Student Conduct, Expectations, and Reasonable Sanctions

The Green Mountain Board of School Directors acknowledges that conduct and behavior is closely associated with student learning. An effective instructional program requires a wholesome and orderly school environment. The Board requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violations. The rules of conduct are applicable at all times on school district property as well as during any school activity conducted off campus. Special rules are also applicable while riding on a school bus.

Students are expected to:

- A. Respect the rights, person and property of others;
- B. Pursue the required course of study;
- C. Preserve the degree of order necessary for a positive climate for learning; and
- D. Comply with district rules and regulations;
- E. Submit to the authority of staff and reasonable discipline imposed by school employees and respond accordingly.

The Board also recognizes that schools must take reasonable steps so that students who fail to adhere to the district's rules and regulations and who receive discipline for such misconduct remain engaged or are effectively reengaged in their educational program.

The superintendent will develop written rules of conduct which will carry out the intent of the Board and establish procedures necessary to implement this policy.
