Students who violate this policy will be subject to discipline.

Student Discipline

Pursuant to RCW 28A.600.420, students who have possessed a firearm on any school premises, school-provided transportation, or school-sponsored activities at any facility shall be expelled for not less than one year. . The district may also suspend or expel a student for up to one year if the student acts with malice (as defined under RCW 9A.04.110) and displays a device that appears to be a firearm.

No expulsion under RCW 28A.600.420 prevents the district from continuing to provide educational services in an alternative educational setting in compliance with RCW 28A.600.015. Any alternative setting should be comparable, equitable, and appropriate to the regular education services a student would have received without the exclusionary discipline. Example alternative settings include one-on-one tutoring and online learning.
